Plastic Recyclers SE, Inc.	50
Central Paper Stock	20,500
City of Bartlett	15,928
City of Memphis	134,225
Town of Collierville	4,284
Town of Lakeland	323
Town of Arlington	400
City of Germantown	4,419
City of Millington	258
Shelby County Government	14,019
TOTAL	803,799

H. Total Shelby County solid waste:

	2005 Tons	
BFI landfills total	1,401,260	
Outside (region) waste disposed in Shelby Co	273,715	(-)
Shelby Co. waste landfilled <i>in</i> Shelby Co.	1,127,491	
Shelby Co. waste landfilled <i>outside</i> Shelby Co	362,933	(+)
Total tons of Shelby Co. Class I waste landfilled	1,490,424	59%
 Total Class III/IV waste	 223,092	

*Tons of waste recycled	<u>803,799</u>	
Total Shelby Co. solid waste diverted	1,026,891	41%
Total Shelby Co. waste generated	2,517,315	100%

* Unable to totally quantify the tonnage of recyclables generated, processed or sold. There are a large number of recycling generators in Shelby County and only a few generators report their volume. Many companies in Shelby County ship their recyclable materials directly to processors without the board's knowledge. Also, without knowing all recycling businesses and the customers of each recycling processor, the volumes can easily be duplicated, thus distorting the actual total volume. Figures shown is what was reported.
